

MX STIL

The MX STIL lets you hold meetings with 4 or 6 people according to the version. This table perfectly matches our Stilix Wide wall column.

It can house a 65-inch screen, as well as a 120° camera. Thanks to its many personalisation options, it can be adapted to suit any setting.

Tech : Jabra PanaCast 50 under screen (ADT_R1VESA_PANACAST50)
